**Active Ingredient:**

Aluminum oxide

**Product Name:**

Activated alumina

**Level Of Dermal Irritation Potential:**

Slight

**Special Features:**

White speres-no odor, non-soluable. Avoid breathing dust. Dessiccant in air, gas and refrigerant drying. Store in dry place

**Supplementary Features:**

Off white color. Bagged desiccant. Ph 9.40 to 10.10

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T089-b
