End Application:

Servomex 5200 multi purpose gas analyser

Quantity Within Each Unit Package:

500.0 grams

Active Ingredient:

Silica gel

Moisture Indicator Impregnation:

Included

Product Name:

Drying agent

Special Features:

Various size orange beads or granules that turn dark green on adsorption of water; activated colouring agent 0.2% max; avoid temps in excess of 150 degrees c; densi type 700 - 800 kg/m3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T089-b
