**End Application:**

Servomex 5200 multi purpose gas analyser

**Quantity Within Each Unit Package:**

500.0 grams

**Active Ingredient:**

Silica gel

**Moisture Indicator Impregnation:**

Included

**Product Name:**

Drying agent

**Special Features:**

Various size orange beads or granules that turn dark green on adsorption of water; activated colouring agent 0.2% max; avoid temps in excess of 150 degrees c; densi type 700 - 800 kg/m3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T089-b
