End Application:

F-16 aircraft

Physical Form:

Gel

Application Method:

Hand

Quantity Within Each Unit Package:

55.0 gallons

Biodegradeable Characteristic:

Not included

Product Name:

Cleaning compound

Special Features:

Msd number 190387. Viscous pink liquid, mild odor.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
