Silicone Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6850-01-586-0970

Basic Ingredient:
Silicone rubber
Product Name:
Therm-a-gap t635
Special Features:
Item is a silicon matrix made of boron nitride (bn) 20 to 40 percent by weight and diboron trioxide 1 to 5 percent by weight; for manual
dispensing
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T089-a
