Physical Form:

Granular

Nonfreezing Feature:

Not included

Product Name:

Chlorine neutralizer, cleaning

Special Features:

1.25 lb pail; 8.00 x 03.63 dim/pail; fine white granular; boilin pt >150 degrees c decomposes rapidly; solubility in wate (% by weight)l 39% @ 16 degrees c; pungent sulfur dioxide gas odor; ph: 1% sol=4.3(approx.) ; stable at normal conditions

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T329-c
