End Application:

Guns

Physical Form:

Liquid

Material Base Type:

Solution

Quantity Within Each Unit Package:

4.0 fluid ounces

Product Name:

M-pro 7 gun cleaner

Special Features:

Stable; boiling pt 219 degrees (104 c); vapor pressure , 0.02 mm hg @ 20 degrees c; specification gravi type 1.01; solube in water 100%; clear amber liquid, odorless; readily biodegradable; freeze pt 18 degrees f(-8 degrees c) ; ph: 10.8-11.2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T089-a
