**Physical Form:**

Liquid

**Design Type:**

Nonpermanent

**Boiling Point Temperature Rating:**

226.0 degrees fahrenheit

**Flammability Characteristic:**

Nonflammable

**Arctic Graded Feature:**

Not included

**Err Default:**

Err default

**Product Name:**

Extended life coolant 55%/45% w/distilled water

**Special Features:**

Orange liq, chem family ethylene glycols, mild odor

**Color:**

Amber

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T089-b
