Product Name:

Sifco process chromic conversion

Special Features:

Liquid; freezing pt 0.0c; boiling pt 100.0c; ph 0-1.5; stable

Functional Description:

Plating solution

Color:

Red and orange

Supplementary Features:

Specific gravit (water=1) : 1.005-1.015; complete soluble

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
