End Application:

Nickel-safe ice machine

Physical Form:

Liquid

Material Base Type:

Solution

Biodegradeable Characteristic:

Included

Special Features:

Boiling pt >212@760mm hg; vapor pres.(mm hg): 3.4@68 f

Hazardous Substances:

Phosphoric acid

Supplementary Features:

Clear green liquid/irritating odor, soluble in water

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
