Physical Form:

Liquid

Material Base Type:

Solution

Quantity Within Each Unit Package:

55.0 gallons

Product Name:

Formula 815 gd-nf

Level Of Dermal Irritation Potential:

Slight

Special Features:

Keep @ temp 5-49 degrees c; solubilit (h2o) 100%; specific grafi type 1.075; odor mild; color blue green; vapor pressure 17 mm hg; boiling pt.212 f; freezing pt.32 f

Supplementary Features:

Flash pt.>212 degrees f pensky-martens closed cup

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
