End Application:

1367-01-579-4067

Protective Storage Feature:

Controlled room temperature

Approximate Shelf Life:

5.0 years

Product Name:

Mk-9, first defense inert stream w/dye

Special Features:

Aerols; flash pt. 220; clear liquid/slight alcohol odor; boiling pt. 220; soluble; aluminum seamless construction container

Supplementary Features:

Oc level range .2%major capsaicinoids to 1.3 mc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
