**End Application:**

1520-01-421-3747 helicopter, attack

**Physical Form:**

Liquid

**Material Base Type:**

Emulsion

**Quantity Within Each Unit Package:**

8.0 ounces

**Water Soluble Feature:**

Provided

**Special Features:**

Soluble in water complete; boiling pt: 212 f; no odor, water white liquid; vaper pressure 17.5 mmh (@20c) ; removes, restores, protects against uv damage, restoration system clearfix

**Supplementary Features:**

Melting pt 32 degrees f; voc 29 g/l

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T089-a
