End Application:

1520-01-421-3747 helicopter, attack

Physical Form:

Liquid

Material Base Type:

Emulsion

Quantity Within Each Unit Package:

8.0 ounces

Water Soluble Feature:

Provided

Special Features:

Soluble in water complete; boiling pt: 212 f; no odor, water white liquid; vaper pressure 17.5 mmh (@20c) ; removes, restores, protects against uv damage, restoration system clearfix

Supplementary Features:

Melting pt 32 degrees f; voc 29 g/l

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
