**Storage Temperature Range:**

+70.0 to 100.0 degrees fahrenheit

**Protective Storage Feature:**

Controlled room temperature

**Approximate Shelf Life:**

3.0 years

**Product Name:**

Window restoration clearfix polish

**Special Features:**

U/o sh-60b helicopter; liquid; no/little odor; vapor densi type 1. (ref std: air=1); vapor pressure 17.5 mmhg(a 20 c) ; melting pt. 32 f; negligible in water; no flash pt.

**Color:**

White

**Supplementary Features:**

Boiling pt. 212f; specific gravi type 1.2

**Type/model Designation:**

70-2022-8031-2

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
