Storage Temperature Range:

+70.0 to 100.0 degrees fahrenheit

Protective Storage Feature:

Controlled room temperature

Approximate Shelf Life:

3.0 years

Product Name:

Window restoration clearfix polish

Special Features:

U/o sh-60b helicopter; liquid; no/little odor; vapor densi type 1. (ref std: air=1); vapor pressure 17.5 mmhg(a 20 c) ; melting pt. 32 f; negligible in water; no flash pt.

Color:

White

Supplementary Features:

Boiling pt. 212f; specific gravi type 1.2

Type/model Designation:

70-2022-8031-2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
