Product Name:

Absorgel disiccant blanket humidity absorber

Level Of Dermal Irritation Potential:

Moderate

Special Features:

Take precautionary measure against static discharge; color: white, grey; odorless; melting point: 782.00 deg. C.; soluble in water 800>g/l;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-b
