End Application:

Hazmat

Physical Form:

Liquid

Material Base Type:

Solution

Quantity Within Each Unit Package:

32.00 fluid ounces

Water Soluble Feature:

Provided

Biodegradeable Characteristic:

Included

Product Name:

Multipurpose cleaner/degreaser, (6)-32 oz. Squeeze/pour bottles;

Level Of Dermal Irritation Potential:

Moderate

Special Features:

Flash point: 200.00 deg. F. Tcc; form: liquid; color: violet; boiling point: 180.00 to 212.00 deg. F.; freezing point: <32.00 deg. F.; mild odor; ph: 9.0 -11.0; specific gravity: 1.00; solubility: complete; evaporation rate: >water; avoid temperatures less than 32.00 deg. F. And above 130.00 deg. F.; do not mix with other chemicals;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
