**Physical Form:**

Sachet

**Quantity Within Each Unit Package:**

10.0 grams and 87.0 grams

**Foaming Characteristic:**

Not included

**Product Name:**

Purafil

**Special Features:**

Moisture content: 35% ; abrasion: 4.5% maximum; sodium permanganate content: 12% min; crush strength: 35%-70%; bulk density: 50lbs/ft<sup>3</sup>; will not desorb; ul classified class 1 ; will not support bacterial or fungal growth; can be tested for remaining service life; non-toxic and non-hazardous

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T089-a
