Physical Form:

Sachet

Quantity Within Each Unit Package:

10.0 grams and 87.0 grams

Foaming Characteristic:

Not included

Product Name:

Purafil

Special Features:

Moisture content: 35% ; abrasion: 4.5% maximum; sodium permanganate content: 12% min; crush strength: 35%-70%; bulk density: 50lbs/ft³; will not desorb; ul classified class 1 ; will not support bacterial or fungal growth; can be tested for remaining service life; non-toxic and non-hazardous

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
