Physical Form:

Liquid

Quantity Within Each Unit Package:

12.00 fluid ounces

Product Name:

Sur-prep 3160 cleaner degreaser

Level Of Dermal Irritation Potential:

Slight

Special Features:

Physical state: liquid; appearance: clear/colorless; combustible; odor: solvent odor; bulk density: 6.70 lbs/gal; boiling point: 192.00 deg. C. To 205.00 deg. C.; flash point: 145.00 deg. F.; specific gravity: 0.8; solubility: slightly soluble in water (<0.01%); volatile % by weight: 100.00%; evaporation rate: <0.1; vapor density: heavier than air; hazardous polymerization will not occur; incompatible materials: strong acids, alkalies, oxidizers; hazardous decomposition products: carbon dioxide, carbon monoxide, smoke fumes, unburned hydrocarbons;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
