VION CHIMIC ACTION ACTI
Physical Form:
Liquid
Quantity Within Each Unit Package:
12.00 fluid ounces
Product Name:
Sur-prep 3160 cleaner degreaser
Level Of Dermal Irritation Potential:
Slight
Special Features:
Physical state: liquid; appearance: clear/colorless; combustible; odor: solvent odor; bulk density: 6.70 lbs/gal; boiling point: 192.00 deg
C. To 205.00 deg. C.; flash point: 145.00 deg. F.; specific gravity: 0.8; solubility: slightly soluble in water (<0.01%); volatile % by weight:
100.00%; evaporation rate: <0.1; vapor density: heavier than air; hazardous polymerization will not occur; incompatible materials: strong
acids, alkalies, oxidizers; hazardous decomposition products: carbon dioxide, carbon monoxide, smoke fumes, unburned hydrocarbons;
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T089-a
