Physical Form:

Liquid

Material Base Type:

Solution

Biodegradeable Characteristic:

Included

Product Name:

Floor cleaner

Special Features:

Gamazyme fc is based on patented fatty acid degrading bacteria strains and biodegradable surfactants. Regular use of gamazyme fc improves safety and hygiene in galley areas; penetrates porous floor surfaces to degrade accumulated grease and other organic materials; eliminates odours that attract insects; the residual organics that feed them are eliminated; ingredients in gamazyme fc enable it to penetrate and clean embedded residual organics left in pores, cracks, corners, crevices and microscopic pores in floor surfaces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T089-a
