# **Physical Form:**

Liquid

Material Base Type:

Solution

**Biodegradeable Characteristic:** 

Included

### **Product Name:**

Floor cleaner

# **Special Features:**

Gamazyme fc is based on patented fatty acid degrading bacteria strains and biodegradable surfactants. Regular use of gamazyme fc improves safety and hygiene in galley areas; penetrates porous floor surfaces to degrade accumulated grease and other organic materials; eliminates odours that attract insects; the residual organics that feed them are eliminated; ingredients in gamazyme fc enable it to penetrate and clean embedded residual organics left in pores, cracks, corners, crevices and microscopic pores in floor surfaces

### Shelf Life:

N/a

### Unit Of Measure:

--

#### Demilitarization:

No

Fiig:

T089-a
