Overall Length:

150.000 inches

Overall Height:

73.000 inches

Overall Width:

120.000 inches

Installation Design:

Portable

Component/item Functioning Presentation Method:

Components demonstrated w/ rack mtd equipment and instructor control panel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T356-b
