Component Quantity:

1

Installation Design:

Portable

Controlling Agency:

N

Component Controlling Agency:

Us naval training device center; us naval training device center; us naval training device center; us naval training device center

Component Name:

Guidance and control section; warhead section; propulsion section; carrying case

Government Agency Controlling Major Components/accessories Document:

Us naval training device center

Government Major Components/accessories Document Series Title:

Specification for trainer, guided missile, sidewinder ia take-apart model

Government Major Components/accessories Document Designator:

Spec no. 3131-270

Training Phase:

Familiarization of the external and internal configuration and characteristics of the sidewinder guided missile

Student Position Quantity:

Any acceptable

Equipment Name:

Sidewinder ia guided missile

Representation Type:

Simulation

Specification Or Standard:

File no. X3g29

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T356-a
