Temperature Radiation Demonstrat - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6910-01-254-4545

General Description:

Shelf Life:

No

System provides students and instructors with helpful guidance and a number of suitably controlled sources ofradiant energy,
nstrumentation to sense and measure this energy and a number of fixtures to use in experiments; system will be used in a heat transfer
aboratory for training purposes

N/a
Unit Of Measure:
Demilitarization:
