Installation Design:

Mobile

Controlling Agency:

Pasco scientific corp

Manufacturer Address:

Roseville, ca

Identifying Number:

Me-6800

Training Phase:

Motion

Equipment Name:

Projectile launcher

Representation Type:

Simulation

Product Name:

Projectile launcher (short range)

Special Features:

Illustrates motion in different dimensions; fixed height at any angle; 3 launch ranges; projectile diameter 2.5 cm plastic balls

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T356-a
