Electronic Circuit Training Aid - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6910-01-551-4860

Equipment Name:	
32 bit microprocessor training module	
Training Equipment Coverage:	
Limited	
Special Features:	
Winfacet windows based fault assisted circuits for electronics training;	modular system to train students on digital/microprocessor based
electronic system	
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	
No
