Installation Design:

Mobile

Controlling Agency:

Lm sippican

Manufacturer Address:

Marion, ma

Identifying Number:

Mk39

Training Phase:

Asw training target

Equipment Name:

Mk39 ematt

Representation Type:

Modification

Special Features:

Variable speed, 3 to 8 knots; programmable; extended length echo repeat; high powered pinger; mk46 compatible

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T356-a
