End Application:

Forensic wound training

Component Quantity:

46

Component Document Origin:

Industrial

Document Source:

67342

Document Type:

Commercial catalog

Component Document Page Number:

42

Document Identification:

No.710

Product Name:

Forensic science wound package

Special Features:

Includes 2 of the following, pattern ligature, slash, shotgun, intermediate range flake, intermediate range round, ecchymosis, petechiae, intermediate range, shotgun close range, exit gunshot, contact gunshot, screwdriver, bite partial, hesitation, single edge knife, blunt bat, bite complete, double-edge knife, bunny ears, contact wound, exit small wound, exit large wound, contact hand gun, ice pick

Supplementary Features:

Special stick-on wounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
