Installation Design:

Portable

Controlling Agency:

American heart association

Battery Voltage Rating In Volts:

3.0

Power Source:

Battery

Identifying Number:

801-00140

Battery Usage:

Optional

Training Phase:

Resuscitation

Equipment Name:

Cpr meter

Representation Type:

Simulation

Product Name:

Cpr meter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T356-a
