Installation Design:

Fixed

Controlling Agency:

Rockwell international corp.

Manufacturer Address:

Anaheim, ca.

Identifying Number:

A/a44a-4

Training Phase:

Take down or maintenance, physical characteristics

Equipment Name:

Propulsion system rocket engine

Representation Type:

Simulation

Functional Description:

Used to install and remove engine

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T356-a
