**Diameter:**

20.000 inches

**Mounting Hole Diameter:**

0.218 inches

**Mounting Hole Quantity:**

3

**Face Color And Location:**

Black first side

**Mounting Hole Configuration:**

One centrally located, 2 located on center line 8.031 in. From center

**Special Features:**

Opposite face white w/black cross

**Material:**

Steel comp 1010

**Surface Treatment:**

Phosphate

**Surface Treatment:**

Phosphate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T262-b
