Installation Design:

Fixed

Training Phase:

Hands on

Student Position Quantity:

2

Equipment Name:

Table top advanced gunnery system (tagts)

Representation Type:

Simulation

Criticality Code Justification:

Amqy

Product Name:

Stryker mobile gun system (mgs) tabletop advanced gunnery training system (tagts)

Special Features:

Dcv: 17-261/ (t)

Functional Description:

Provides virtual gunnery simulation training for mgs crews. Consists of a crew station with gunner and vehicle commander controls and an instructor/operator station.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T356-a
