**Functional Description:**

In addition to air-to-surface fire control radar simulation will have a digital data base transformation program, digital data base update capability, as well as jammer, artillery, radar, or missile, occlusion, weapon impact location, and thunderstorm simulation capabilities

**Type/model Designation:**

A/f36u-t4

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23800
