Features Provided:

Software

Unit Design:

Portable and storage case

Component Type And Quantity Accommodated:

1 mouse and 1 keyboard and 1 cathode ray tube

Special Features:

Requested name - pfp (v)-7-acc; portable flight planning subsystem (v) 7 acc version - components include: server - hp lc2000 server cfg10704899 w/customization; monitor - samsung syncmaster 170t 17" flat panel; surge supressor - apc su700x167 autosensing; cables - apc 3827gy-10 circular wrap 8 cables total; keyboard - hp netserver standard keyboard kbr001112-00; intellimouse - microsoft 2 button mou001043-00 cord; hub - 3com 3c16592b ss3 baseline 10/100 12 port hub; ecs composites case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A519p0
