Overall Length:

6.500 inches

Overall Height:

7.125 inches

Overall Width:

5.750 inches

End Application:

An/arw-88

Features Provided:

Framed

Voltage In Volts And Current Type:

28.0 dc

Product Name:

Control display unit

Special Features:

Full keypad, active matrix liquid crystal display 3.45 x 3.45

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
