Overall Length:

12.750 inches

Overall Height:

10.250 inches

Overall Width:

5.870 inches

End Application:

Panel dianostic 302-7507414

Features Provided:

Electrostatic discharge capability

Unit Design:

Rack mounted

Product Name:

Tech data)rac6181 compact industrial computers with flat tft displays

Memory Size:

32.0 megabytes

Memory Expansion:

256.0 megabytes

Data Storage Capacity:

30.00 gigabytes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A519j0
