End Application:

Ae6-b acft

Special Features:

Terminal: q type 2, type-receptacle conn.; flange mtd; connector mfr code 26512; connector mfr p/n grcab-sd6; indicator type-digital readout; external power source; input intelligence type-digital; intelligence input method-electrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A519j0
