Overall Length:

1.000 inches

Overall Height:

5.250 inches

Overall Width:

0.400 inches

Special Features:

64 mb memory; ecc sdram; dimm; 100 mhz access time; 3 yr limited warranty; tamper resistant seals; synchronous clock interface; 168 pin connector; gold plating on pins

Precious Material And Location:

Contact surfaces gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511I0
