Overall Height:

17.500 inches

Overall Width:

9.050 inches

Unit Design:

Rack mounted

Product Name:

Power edge 2400 (1ge11) rackmount computer

Special Features:

1rackmount computer for hfdx (v) 3 hf data exchange system; power supply wattage - up to three 300-w power supplies in a 2 + 1 redundant configuration (600 usable watts); voltage 90-240v, 47/63 hz; system battery cr2032 3.0-v lithium coin cell

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A519j0
