End Application:

Panel assembly 3800426

Product Name:

Programmable logic controller (plc) 60 i/o points

Special Features:

Supply voltage 100-240vac, 50/60hz; operating voltage 85-264vac; 60va max; ambient operating temp: 0-55 degrees c , storage: -20 to +75 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A519j0
