**End Application:**

Secondary chemical automated analysis instrumentation

**Component Type And Quantity:**

1 backshell

**Product Name:**

Ni 9932 backshell with 10-pos connector block

**Special Features:**

Connector block for 10-pin c series modules; material is nickel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A5110
