End Application:

Networking interface equipment

Unit Design:

Desk top

Product Name:

Hp pavilion desktop computer-turkey

Memory Size:

1.0 gigabytes

Memory Expansion:

2.0 gigabytes

Data Storage Capacity:

64.00 megabytes

Special Features:

Modem-56k bps data/fax; video graphics-ati radeon hd2350; sound/audio-6-channel alc 888 chipset; network (lan)-integrated 10/100 base-t networking interface; memory card ready; external i/o ports on front panel; port types 4 slot 15 in 1; usb; 1394; headphone; microphone; i/o ports on back panel ps2; vga; usb; lan; audio; expansion slots pci and pci express x16; drive bays 5.25inch and 3.5inch; keyboard and mouse hp; windows vista operating system; base processor-pentium e2140(c) 1.6ghz; 800 mhz front side bus; socket 775; chipset intel 945gc; 16x dvd(+/-)r/rw 12x ram(+/-) r dl lightscribe sata drive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A519j0
