Overall Length:

13.58 inches

Overall Height:

4.53 inches

Overall Width:

4.41 inches

End Application:

Computer

Usage Design:

Docking station for tablet computer

Features Provided:

Locking device

Component Type And Quantity:

1 power supply and 5 adapter and 1 connector

Special Features:

Three usb ports, ethernet port, vga port; leds show charging status for integrated battery charging; three viewing angles: 15 degree for charging, 25 degree for keyboard use, 38 degree for mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511I0
