**Overall Length:**

13.58 inches

**Overall Height:**

4.53 inches

**Overall Width:**

4.41 inches

**End Application:**

Computer

**Usage Design:**

Docking station for tablet computer

**Features Provided:**

Locking device

**Component Type And Quantity:**

1 power supply and 5 adapter and 1 connector

**Special Features:**

Three usb ports, ethernet port, vga port; leds show charging status for integrated battery charging; three viewing angles: 15 degree for charging, 25 degree for keyboard use, 38 degree for mounting

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A511I0
