Overall Length:
13.58 inches
Overall Height:
4.53 inches
Overall Width:
4.41 inches
End Application:
Computer
Usage Design:
Docking station for tablet computer
Features Provided:
Locking device
Component Type And Quantity:
1 power supply and 5 adapter and 1 connector
Special Features:
Three usb ports, ethernet port, vga port; leds show charging status for integrated battery charging; three viewing angles: 15 degree for
charging, 25 degree for keyboard use, 38 degree for mounting
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
A511I0
