End Application:

B-1

Features Provided:

Ruggedized

Unit Design:

Rack mounted

Product Name:

Computer, correction; svme/dmv-183 single/dual freescale power architecture mpc 7447a/7448 single board computer

Special Features:

Custom configuration: ruggedization level: -40 to +71 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A519j0
