End Application:

Chs-iv

Terminal Location:

Front

Power Source:

External

Intelligence Input Method:

Electrical

Product Name:

Operational transit case assembly

Special Features:

Dell servers include oem warranty, all other components are offered with chs-4 5 year warranty. Dimensions are as follows: 36.7 inches long x 22.5 inches wide x 13.1 inches high.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
